

LIST 1 "The Path to Academic and Social Excellence"

ACADEMIC EXCELLENCE

We are committed to providing our students with an excellent learning experience tailored to their individual pace and aspirations.

EXPERTISE FOR ALL

Drawing on our expertise, we strive to meet the needs of all our children and support them in their development.

CONSTRUCTIVE COMMUNICATION

We prioritize open and transparent dialogue with the entire educational community to foster a climate of trust and collaboration.

AN INCLUSIVE AND RESPECTFUL SCHOOL

We value the diversity of our students and create a learning environment where everyone feels respected and supported.

PEDAGOGICAL INNOVATION

By integrating new technologies and promoting active learning, we prepare our students to succeed in a constantly evolving world.

OUR COMMITMENT TO THE FUTURE

We are proactive and anticipate future challenges to ensure the long-term success of our school.

OUR INITIATIVES

ENHANCED SECURITY

Following our repeated requests, the CDG favorably responded to the installation of new surveillance cameras to ensure the safety of everyone.

INTEGRATION OF NEW PARENTS

We have implemented a personalized welcome program to assist new families in discovering our school.

QUALITY CATERING

Thanks to our efforts, the cafeteria has been improved and now offers healthy and balanced meals at very reasonable prices.

PLEASANT ENVIRONMENT

Misting systems have been installed to cool the courtyards during hot periods, and new shade structures in the kindergarten and central courtyards provide a shaded play area for our children.

REBALANCING OF CLASSES

We have worked to reduce the size of overcrowded classes by actively participating in decisions regarding the opening of new classes.

A CLEAR DEFINITION OF THE REGULATIONS

We have developed, in consultation with all stakeholders, a clear and adapted internal regulation, particularly regarding the dress code.

DEVELOPMENT OF SPORTING ACTIVITIES

In collaboration with the CDG, we are working on creating new sports spaces to promote regular physical activity.

ENRICHMENT OF SCHOOL LIFE

New cultural projects and school trips have been implemented, offering students new learning and discovery opportunities.

PREPARATION FOR HIGHER EDUCATION

We collaborate with teachers to guide students in their orientation and prepare them for their university entrance.

A VARIETY OF ACTIVITIES

New clubs and extracurricular activities have been offered to cater to everyone's interests.
