

LIST 1 : “ The committed and determined team for the fulfillment and well-being of all children ”

OUR ROLE AND OUR EFFORTS

- Transmit the values of the Republic to children.
- Support our children in school life to meet their developmental needs.
- Support and accompany children with special needs for a more effective inclusion.
- Be a link with the administration and teachers and allow for a more transparent communication.
 - Be a team available and attentive to your problems or your proposals.
- Keep parents continuously informed of decisions made by the school administration.
 - Support the pedagogical projects of the teaching staff.
- Raise children's awareness of ecological gestures for a school that promotes sustainable development.
 - Raise parents' awareness on the importance of civic education at home.
- Develop together - administration, teaching staff, and parents - a coherent project to achieve excellence.

OUR DEDICATED INITIATIVES SINCE 2023 AND FOR THE 2024-2025 ACADEMIC YEAR

- ✓ Ensure the maintenance of hygiene in the kindergarten and primary schools' toilets.
- ✓ Carry out various class projects to encourage a sense of belonging to EFIR.
- ✓ Organize various and diverse school outings and cultural trips.
- ✓ Be attentive and present alongside parents and take the necessary actions to resolve situations or conflicts.
- ✓ Propose new choices/options for extracurricular activities.
- ✓ Encourage children to preserve the environment by avoiding the use of plastic packaging.
- ✓ Support the security plans established by EFIR.
- ✓ Be a support and link to encourage the inclusion pole (special needs, bullying and overall school atmosphere).
- ✓ Develop more engaging means of communication between parents and administration.

VOTE LIST 1, YOUR COMMITMENT COUNTS!

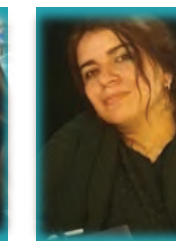

Don't forget: Both parents of students in primary school can vote.
